

Cipher Craft

University of Engineering and
Technology Lahore.

Memorandum of Understanding (MOU)

This is an agreement between the **Cipher Craft Team** and **THYNK TECH** for **Cipher Craft 2024**.

1. Description

Cipher Craft is a dynamic tech event where people enthusiastic about coding and entrepreneurship come together to explore innovative ideas and push the limits of technology. It is a place where you can learn, create, and connect with like-minded individuals through hackathons, workshops, and networking opportunities.

Event Highlights:

Following is the Event Highlights of Cipher Craft:

- **Registration:** Participants will complete their registration by presenting their CNIC/ID Card (University Card) and Verification Code (Luma) to ensure a smooth process.
- **Breakout to Rooms & Team Formation:** Attendees will be guided to designated rooms. Teams of 2 to 4 hackers will be formed, laying the foundation for collaborative hacking.
- **Project Ideation:** Teams will create a comprehensive project plan, outlining key tasks, milestones, and timelines to steer their development process.
- **Project Development:** Teams will start working on their ideas, transforming them into tangible projects.
- **Refreshment Break:** Participants will enjoy a quick snack to recharge their energy.
- **Workshop:** A hands-on session aimed at boosting productivity through multiple workshops that may include (GitHub, Notion, Neural Networks, Game Jam with Unity etc.)

It is a fantastic opportunity to gain experience, new skills, meet new people, and have a lot of fun. Join us and push the boundaries of technology.

Venue: UET Main Campus

2. Purpose

The purpose of this MoU is:

- To formalize the collaboration between the **Cipher Craft Team and THYNK TECH** for Cipher Craft 2024. This partnership aims to merge resources and expertise to create an inclusive tech event featuring hackathons, interactive workshops, and networking opportunities. Cipher Craft 2024 seeks to foster innovation, community, and learning. This MoU underscores our commitment to mutual growth and development through shared knowledge and student opportunities.

3. Responsibilities

The **THYNK TECH and Cipher Craft** Team agree to the following tasks for this MOU:

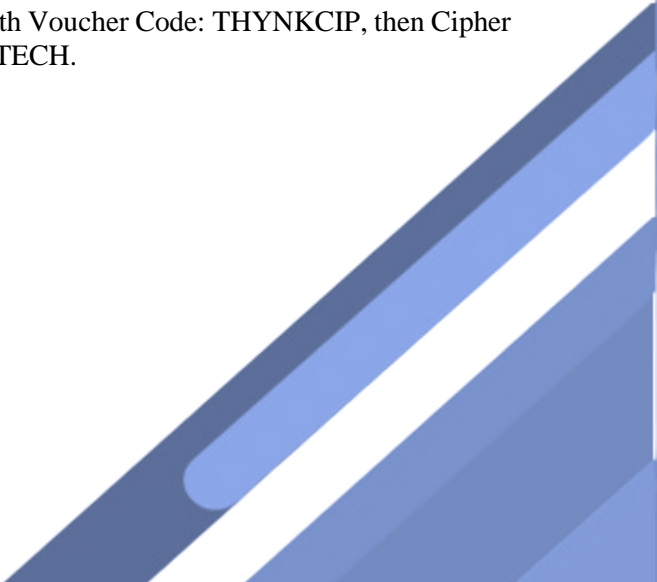

Responsibilities of THYNK TECH under this MOU

THYNK TECH shall undertake the following activities:

- Promote the Cipher Craft event on their social media platforms to raise awareness and encourage student participation.
- Post the community collaboration on social media.
- Will repost/reshare all the announcements of this event.

Responsibilities of the Cipher Craft Team under this MOU

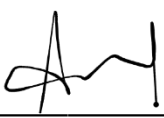

The Cipher Craft Team shall undertake the following activities:

- Will provide pre-event or post-event marketing.
 - Display THYNK TECH's logo on the main flex of Cipher Craft.
 - If more than 30 attendees check in for Cipher Craft with Voucher Code: THYNKCIP, then Cipher Craft will provide an appreciation shield to THYNK TECH.
- 

4. Signature

This MOU shall be affected upon the signature of both parties' authorized officials.
