

# Cipher Craft 2024

---

## Event Overview:

- **Name:** Cipher Craft 2024
- **Dates:** September 13,14, 2024
- **Venue:** University of Engineering and Technology (UET), Lahore
- **Duration:** 2 Days
- **Participants:** Over three hundred students from across Pakistan, engaging in technology-driven projects and innovative solutions.

## About Cipher Craft:

- **Premier Event:** Cipher Craft is Pakistan's leading hackathon and tech event, providing a platform for students to collaborate, innovate, and show their technical ability.
- **Objective:** To empower students through real-world tech challenges, fostering creativity, innovation, and skill development.
- **Domains:** The event focuses on several key areas:
  - *Artificial Intelligence Applications*
  - *Decentralized Applications*
  - *Web2 Applications*
  - *Generative AI*
  - *Game Development*

## Your Role as a Speaker:

- **Session Overview:** As a speaker, you will have the opportunity to inspire and guide participants through your experiences and ability in technology.
- **Content Focus:** You are encouraged to cover relevant topics within your domain, focusing on innovative trends, challenges, and real-world applications.
- **Engagement:** We suggest incorporating interactive elements into your session, such as Q&A, live demos, or case studies, to maximize participant engagement.
- **Duration:** 30 minutes for one slot.

## Benefits to You:

- **Visibility:** Your involvement will place you at the forefront of a major tech event, enhancing your professional visibility within the academic and tech community.
- **Networking:** Engage with a diverse pool of students, educators, and industry professionals, offering opportunities for collaboration and knowledge sharing.
- **Contribution:** Play a vital role in shaping the next generation of tech leaders by sharing your insights and guiding them through their projects.

## Event Structure:

- **Opening Ceremony:** Introduction and keynote addresses.
- **Hacking Spaces:** Students will work on their projects, with opportunities for you to mentor and interact with them.
- **Workshops and Talks:** This is where your session(s) will take place, providing a platform to share your knowledge.
- **Closing Ceremony:** Final presentations, prize distribution, and networking.

## Prizes:

- **1st Place:** PKR 30,000
- **2nd Place:** PKR 20,000
- **3rd Place:** PKR 10,000

## Logistics:

- **Preparation:** We encourage you to finish your session materials well in advance and coordinate with our team for any technical requirements.
- **On-Site Support:** Our team will provide full support during the event to ensure your session runs smoothly.
