PROFILE

As a passionate and dedicated front-end web developer, I bring over 9 years of experience in creating dynamic and engaging websites designed to enhance user experience and drive sales. My expertise lies in utilizing modern web technologies, with a strong focus on React.js, HTML, CSS, and JavaScript. In addition to team projects, I offer specialized landing page development services in React.js, consistently delivering high-quality results that align with modern web standards and client requirements.

WORK EXPERIENCE

FOOTBALL FUSION

2024 - PRESENT

CO=Owner of a START-UP

- Co-owning and developing 'Football Fusion,' a startup dedicated to creating an innovative platform for football enthusiasts to connect, share content, and stay updated with the latest football news and events.
- Led the development and maintenance of the user interface using React.js, ensuring a seamless and engaging user experience.

Larky Da Dhaba

Front end developer

- Developed a dynamic and visually appealing website for 'Larky Da Dhaba,' a desi restaurant, aimed at enhancing the online presence and customer engagement of the business.
- Utilized HTML, CSS, and JavaScript to create interactive features and seamless navigation.
