

Memorandum of Understanding (MOU)

Between

CIPHER CRAFT

And

HOSTHAPS

Description:

Cipher Craft is a dynamic tech event where people passionate about coding and entrepreneurship come together to explore new ideas and push the limits of technology. It's a place where you can learn, create, and connect with like-minded individuals through hackathons, workshops, and networking opportunities.

Event Details:

Following is the Event Highlights of Cipher Craft 2024:

- **Registration:** Participants will complete their registration by presenting their CNIC/ID Card (University Card) and Verification Code (Luma) to ensure a smooth process.
- **Breakout to Rooms & Team Formation:** Attendees will be guided to designated rooms. Teams of 2 to 4 hackers will be formed, laying the foundation for collaborative hacking.
- **Project Ideation:** Teams will create a comprehensive project plan, outlining key

tasks, milestones, and timelines to steer their development process.

- **Project Development:** Teams will start working on their ideas, transforming them into tangible projects.
- **Refreshment Break:** Participants will enjoy a quick snack to recharge their energy.
- **Workshop:** A hands-on session aimed at boosting productivity through multiple workshops that may include (GitHub, Notion, Neural Networks, Game Jam with Unity etc.)

It is a fantastic opportunity to learn new skills, meet new people, and have a lot of fun. Join us and push the boundaries of technology.

Purpose of this MOU:

To formalize the collaboration between the Cipher Craft Team and HostHaps for Cipher Craft 2024, this partnership aims to pool resources and expertise to create an inclusive tech event. Cipher Craft 2024 will include hackathons, interactive workshops, and networking opportunities, promoting innovation, community, and learning. This MoU highlights our commitment to mutual growth and development through shared knowledge and student opportunities.
