EDUCATION

Bachelors Of Computer Science

University of Engineering & Technology

2022-2026

Higher Secondary School

Punjab Group Of Colleges

2020-2022

Secondary School

Sweet Ways Public School, Lahore

2018-2020

EXPERIENCE

Graphic Designer

2022- present

Social Media Manager

2022- 2024

Teacher

Maths and Physics

2021- present

Freelancing

2021- present

LANGUAGES

- English
- Urdu

PROFILE

Dedicated and motivated undergraduate computer science student with a passion for technology and problem-solving. Possessing a solid foundation in computer science principles and programming languages, with hands-on experience in software development and system analysis. Proven ability to collaborate effectively in team environments to deliver high-quality projects within deadlines. Strong communication skills and a quick learner, eager to adapt to new technologies and methodologies. Seeking opportunities to leverage academic knowledge and practical skills to contribute effectively to innovative projects and advance in the field of computer science.

SKILLS

Programming Languages

- **C&C++:** Strong understanding of object-oriented programming principles and programming fundamentals.
- **C#:** Familiarity with C# for application development, including GUI design and event-driven programming.
- **JavaScript (JS):** Basic proficiency in JavaScript for web development.
- **React.JS:** Development of Frontend web application using React.

Data Visualization

Experienced in creating insightful data visualizations and reports using **Power BI**.

Data Base Management System

Proficient in designing and managing databases using **SQL, NoSQL**. Ensured data integrity and optimized query performance in several projects involving complex datasets

Problem-Solving and Analytical Skills

Strong analytical skills honed through mathematical and computational problem-solving .

Data Structures and Algorithm

Strong knowledge of sorting, searching, graph algorithms, and dynamic programming techniques.

Communication And Collaboration

Effective communicator with students, colleagues, and parents, fostering positive learning environments and facilitating productive collaborations. Able to explain complex concepts in clear and accessible terms.

ACHEIVEMENTS

- Position Holder, HSSC'22
- Star Performer Of Year 2022 In Programming Fundamentals & OOP
