CIP HER CRAFT 2024

EVENT PROPOSAL

Venue: UET Lahore   **September 13-14**

ABOUT:

What is Cipher Craft?

Cipher Craft is **Pakistan's** premier hackathon, bringing together **300+** passionate students from across the country to explore **cutting-edge technologies**, develop innovative **projects**, and share their achievements with a vibrant community! The hackathon will span over **36 hours**, kicking off on Friday, **September 13th,** and wrapping up on Saturday, **September 14th**. This exciting event will be hosted at **University of Engineering and Technology** in Lahore, Pakistan.

Why Cipher Craft?

Cipher Craft is the perfect platform for you to **recruit** talented students, **boost brand visibility,** and showcase your **technologies**. We offer **multiple avenues** to enhance your engagement and achieve your goals!

Cipher Craft also brings together a highly **diverse group of students** from across Pakistan. This melting pot of cultures presents a unique opportunity for you to connect with students who are crafting some of the most creative and innovative projects in the region!

How Can I Engage?

Cipher Craft offers a multitude of opportunities for you to **engage** with students. From our **Opening** and **Closing Ceremonies** to the Sponsor Fair, Hacking Spaces, and Project Showcase, the chances to interact with students are limitless!

You can also **deliver tech talks**, **lead workshops**, host exciting activities, conduct **on-site interviews**, and much more—all while students develop groundbreaking projects using your technologies!

Who's Organizing?

Cipher Craft is organized by Team Cipher Craft lead by Muhammad Nouman in collaboration with Software Square two leading organizations dedicated to empowering students in technology and entrepreneurship. Our mission is to provide students with opportunities to develop both technically and professionally.

We achieve this through a range of programs and activities, with our flagship event, Cipher Craft, taking center stage!

BENEFITS:

Talent Recuritment

Meet **talented students majoring in computer science and engineering.**
Interact **with diverse students from underpresented groups in tech.**
Engage **with students at our Ceremonies, Sponsor Fair, Hacking Spaces, Project Showcase, and more.**
Access **student information such as resumes, LinkedIn, and GitHub.**
Schedule **on-site interviews with students during the event**

Brand Awareness
